

# Biosystems MultiPro™ IQ Express Docking Station

**A Fully Automated  
Bump Test and  
Calibration Station  
for the MultiPro™  
Confined Space  
Gas Detector.**

**ASSURE SAFETY  
AND COMPLIANCE  
IN SECONDS**

MultiPro IQ Express is the perfect complement to Biosystem's new confined space multi-gas detector the MultiPro. This fully automated bump test and calibration station performs up to eight critical tests, including gas sensor identification, instrument performance, and record-keeping procedures in seconds.

The MultiPro IQ Express dramatically improves compliance record-keeping efficiency and accuracy. You just put the gas detector in the dock and the MultiPro IQ Express Station does the rest. Extremely cost-effective, MultiPro IQ Express requires no testing or clerical skills and minimal effort by users. Workers can check their instruments and get to their jobs with minimal interruptions. The MultiPro IQ

Express Station automatically performs eight procedures, including: instrument identification, battery test, audible alarm test, visual alarm test, vibrating alarm test (if applicable), fresh air calibration, bump test, and record-keeping. If the bump test fails, IQ Express will automatically perform a full calibration without intervention from the user. Total processing time, including testing and calibration just takes a little over a minute.

Connect MultiPro IQ Express to your PC via USB or Ethernet\* to download data directly to a PC. MultiPro IQ Express. The intelligent, affordable way to assure safety and compliance. From Biosystems. No one makes it easier.

\*Ethernet connectivity available Summer 2005.

# Biosystems MultiPro™ IQ Express Docking Station

## KEY FEATURES

### AUTOMATED TESTS

- Automatic instrument identification
- Automatic battery test
- Automatic alarm tests (audible, visible, vibrating)
- Automatic bump test
- Automatic calibration (if necessary)
- Automatic record keeping
- Automatic ready/fault indication

### CONFIGURATION OPTIONS

- Standalone calibration station
- For advanced features connection to PC via USB or Ethernet\*
- Network compatible

## IQ Controller & Dock Pricing

PART NUMBER	DESCRIPTION	PRICE
54-46-9000	MultiPro IQ Express Docking Station with Software, Installation Disks and Manual	\$795.00

\*Ethernet connectivity available Summer 2005.
