
ZoneGuard Fixed Point Gas Detection Systems

Shown with optional strobe light

Features

Design

- Microprocessor based controller
- NEMA 4X fiberglass housing
- Large LCD display
- Integrally mounted or remote sensors (up to 50')
- Remote sensor heads are available in explosion proof and non-explosion proof housing
- One button operation including one button auto calibration
- Extra RFI protection when using explosion proof remote sensor head

Alarms

- Bright alarm lights
- Built-in mini siren
- Programmable high and low alarms
- Double pole double throw (DPDT) relays for each alarm condition
- Optional integrally mounted strobes
- Optional external alarms

Standard Accessories

- Calibration adapter with tubing
- Installation and operators guide

Note: conduit, wire and other components necessary to connect remotely located sensors with the instrument controller are not included.

ZoneGuard Accessories

Part No.	Description	Price
54-17-A0101	Single integrally mounted external strobe for ZoneGuard (red)	\$ 150.00
54-17-A0103	Single integrally mounted external strobe for ZoneGuard (amber)	\$ 150.00
54-17-A0102	Dual integrally mounted external strobes for ZoneGuard (red and amber)	\$ 300.00
54-17-A0201	Remote programmable (volume adjustable) audible alarm	\$ 75.00
54-17-A0202	Remote high intensity audible alarm	\$ 200.00
54-17-A0301	Splash guard for sensors installed in explosion proof remote housings	\$ 45.00
54-17-A0302	Splash guard for sensors installed in standard housings	\$ 45.00
54-17-A0401	Wire, 22 gauge, 6 conductor, twisted pair, shielded with drain, used to connect Oxygen remote detectors with ZoneGuard controller, 50 feet	\$ 50.00
54-17-A0402	Wire, 22 gauge, 4 conductor, twisted pair, shielded with drain, used to connect toxic remote detectors with ZoneGuard controller, 50 feet	\$ 50.00
54-17-A0403	Wire, 18 gauge, 4 conductor, twisted pair, shielded with drain, used to connect combustible remote detectors with ZoneGuard controller, 50 feet	\$ 50.00
54-17-A0310	ZoneGuard airline adapter (10-200 psig) with Hanson fitting.	\$ 95.00
35-0136	Calibration adapter for ZoneGuard and Gas✓Chek (Oxygen / standard toxic sensors)	\$ 15.00
54-17-A0304	Calibration adapter for ZoneGuard and Gas✓Chek (LEL sensors)	\$ 15.00
10-302	Calibration adapter for ZoneGuard and Gas✓Chek (Reactive gas sensors - Cl ₂ , ClO ₂)	\$ 15.00

Replacement Sensors for ZoneGuard & Gas✓Chek

Part No.	Description		Price
54-15-801-S	LEL	Combustible	\$ 350.00
54-1631	O ₂	Oxygen	\$ 150.00
54-1632	H ₂ S	Hydrogen sulfide	\$ 250.00
54-1634	CO	Carbon monoxide	\$ 250.00
54-1635	Cl ₂	Chlorine	\$ 400.00
54-1636	SO ₂	Sulfur dioxide	\$ 400.00
54-1637	NO ₂	Nitrogen dioxide	\$ 400.00
54-1644	ClO ₂	Chlorine dioxide	\$ 400.00
54-1652	PH ₃	Phosphine (Not available for Gas✓Chek)	\$ 400.00
